Every parishioner is invited to become involved in parish life and to support parish activities. Please check areas that interest you. Remember that classes and events cannot be scheduled for any age group without Catechists, Aides, and the necessary Volunteer support. Each person has some gift to offer that is greatly needed. Please consider giving of your time, talent, and treasure. We also invite you to take advantage of the many possibilities offered for spiritual growth, development and continuing education in the Catholic Faith.
